

INVESTICE DO ROZVOJE VZDĚLÁVÁNÍ

Životní prostředí (Environment) B1

Tematická oblast	Angličtina: Maturitní ústní zkouška
Datum vytvoření	1. 11. 2012
Ročník	2. - 4., sexta – oktáva, úroveň B1
Stručný obsah	Vhodné jako doplněk k ústní části MZ -praktická forma nácviku částí maturitního zadání úkolu 1,2,4.
Způsob využití	Napomáhá studentovi s pohotovým ovládním nezbytných metodických strategií zvládnutí ústní MZ a poskytuje podpůrnou slovní zásobu tématu a vhodné komunikační obraty.
Autor	Tomáš Kolenovský
Kód	VY_22_INOVACE_03_AKLN09

Topic: Environment

Part 1: Questions

B1

- Is it important to protect the environment?
- In what ways can people damage the environment?
- Is there anything we can do to stop damaging the environment?
- How good is public transport where you live?
- Is there a recycling centre in your area?

Topic: Environment

Part 1: Questions

B1

- Does your family have a car? How often do you use it, and for what purpose?
- What ways can you think of to reduce the number of cars in cities?
- What traffic problems are there where you live?

Topic: Environment

B1

Part 2: Task 1: Describe the photo in detail and mention:

- Location
- Transport
- Problems
- Atmosphere
- Other

Topic: Environment

B1

Part 2: Task 2: Compare the photos and consider the following points:

- Location
- Traffic
- People
- Problems
- Other

Topic: Environment

Part 2: Task 3: Tell me...

- ... how you recycle
- ... if young people care about the environment enough, in your opinion
- ... if your family buys locally-grown food
- ... why it is important to buy locally-grown food
- ... what you do to protect the environment

Topic: Environment

Part 4: Role-play

Your local Environment group plans to publish a leaflet to inform young people about the ways to save energy. Discuss what to include in the leaflet.

- Turning off the lights, TV, heaters
- Buying energy-efficient products
- Using energy-efficient batteries
- Wearing an extra sweater instead of turning the heating up
- Having a shower instead of a bath

Topic: Environment

Vocabulary bank:

protect the environment

damage the environment

recycling centre/facilities

purpose

reduce

reuse

recycle

pollution

bottle bank

bin

disposal

chemicals

to care

to be aware of

landfill site

rubbish

energy-efficient

locally-grown

to separate

to pick-up
